A Panorama of Comfort – Welcome to Blue Bay Resort Hotel

Perched above the picturesque Mononaftis Bay on Crete’s northern coast, the Blue Bay Resort Hotel offers stunning views of the Cretan Sea just a short drive from Heraklion. Here, heartfelt Cretan hospitality meets natural beauty, creating an unforgettable holiday experience.

With a variety of room types, stylishly renovated interiors, and a range of leisure amenities, our resort is ideal for couples, families, and guests seeking both relaxation and recreation – and thanks to its central location on the north coast, it also serves as a perfect starting point for tours and excursions across the island.

Note: Due to the hillside location and many steps, the resort is not suitable for persons with mobility issues, not wheelchair accessible and only partially suitable for strollers.
