GALAXY HOTEL

The Galaxy Hotel offers a 5 Star luxury experience artfully blended with innovative modern comforts. Elegant minimalism, polished modernity and plush materials in soothing neutral tones define a decor that inspires effortless comfort and style.

Located in a quiet area just outside of the center of Heraklion, the hotel is housed in an immaculately renovated building of timeless design in an accessible area with parking.

With a solid experience in hosting events, we cater to all requests with dedication, professionalism and vision. Offering guests a plethora of exemplary services is among our greatest priorities.

The hotel's 127 rooms and suites exude an air of contemporary elegance within a unique city atmosphere. The world-class accommodation combined with the hotel's upgraded amenities and cosmopolitan atmosphere, offer an unrivaled hospitality experience. Enjoy the excellent gastronomy at the hotel's restaurants as well as the largest swimming pool in Heraklion in an idyllic setting. The hotel's 9 multi-faceted and fully equipped rooms are an ideal choice for successful business meetings and conferences.
